IMPORTANT:

1. The maximum allowable credit is **20 credits** only. Students can refer to the curriculum structure in **Appendix 1** for further information.
2. Online course registration is open from **22 - 27 November 2020** via [Online Course Registration](#).
3. Lectures will commence on **December 6, 2020 (Sunday)**. Please refer to the [Academic Calendar Session 2020/2021](#) at the Student Portal.
4. **Remote and online teaching and learning sessions (TnL)** will be conducted throughout the semester until further notice. The class timetable will be uploaded on the [Student Portal](#) in the near future.
5. **Make sure you choose the course, section and learning centre correctly. Mistakes of choosing a learning centre can cause other students to be unable to register into the proper section because the section is already full. Please refer to Appendix 2 for the correct learning centre information, sections and courses.**
Note: Students can find their learning centre information in the SMP Foundation (click [here](#)). Please register the course under your own learning centre as we have allocated the capacity for each learning centre.
6. Students are allowed to make amendments to the enrolled courses within the permissible period. The amendments include the addition, withdrawal and correction of codes, sections and course status by filling in the **Course Registration Amendment Form**. This form should then be emailed to foundation@utm.my **before/on December 11, 2020**. Please refer to the [Work Schedule for Course Registration, Examination and Conferment](#) available on the Student Portal.
