Note: Students can find their learning centre information in the SMP Foundation. Please register the course under your own learning centre as we have allocated the capacity for each learning centre.
6. Students are allowed to make amendments to the enrolled courses within the permissible period. The amendments include the addition, withdrawal and correction of codes, sections and course status by filling in the **Course Registration Amendment Form**. This form should then be emailed to foundation@utm.my **before/on 7 May 2021**. Please refer to the [Work Schedule for Course Registration, Examination and Conferment](#) available on the Student Portal.
