Bridging Exemption Test Module Outline

SUTM SUTM SUTM SUTM SUTM SUTM Module: Information and Communication Technology (ICT)

Overview:

SUTM SI

TUTM 5V

S UTW 5

TO MTU &

TO MIUS

The ICT test is a test that includes the parts of an information system: people procedure, software, hardware, data, and the internet. The questions will cover all the material that you learned in your basic computer-delivered course. Answering booklets will be provided during the exam.

Faculty / Programme Group:

- Software Engineering
- Network and Security
- Graphic and Multimedia Software
- Artificial Intelligence
- SUTM SUTM. Architecture and Landscape
 - Real Estate
 - Land and Quantity Surveying
 - Urban and Regional Planning MTU & MTU
 - Geoinformation
 - Industrial Design

Topics Covered:

- The System Unit
- Secondary Storage
 System Software Input & Output Devices

 - Basic and Specialized Application Software
 - Programming Language
 - **Databases**
 - Privacy, Security & Ethics
- S UTM S UTM. **Information Systems**
 - Communications and Networks
 - The Internet, The Web and E-commerce

Module Test Contents:

Format:

Consists of three parts (100 marks).

Part A: Multiple Choice Questions (33 marks)
