BRIDGING EXEMPTION TEST (BET)

- Bridging Exemption Test (BET) is a module test provided only for **NEW** students, constructed based on the content lectures of the Bridging Programme. BET is optional and **NOT COMPULSORY** for students to take.
- Students who opt to take the BET and pass can skip or be **EXEMPTED** from the Bridging Programme and can register for the degree programme this semester.
- The passing mark is **65 out of 100** for each module. This means that candidates must achieve a minimum score of 65% for all modules.
- If candidates pass all the modules, they can skip the Bridging Programme and enroll into their bachelor's degree programme at their respective faculty.
- If candidates do not meet the minimum score in the first session, they can re-sit for the failed module/s in the second session.
- Candidates who choose to register in the second session and do not meet the minimum score are not allowed to re-sit for the test. Candidates must proceed to the Bridging Programme
- The Registration Fee: **RM500 (FIVE HUNDRED MALAYSIAN RINGGIT)**.
- For more information, kindly visit [BET PORTAL](#)

BRIDGING PROGRAMME

The Bridging Programme is for international undergraduates offered in full-time mode, with **A MAXIMUM OF TWO SEMESTERS**. The programme aims to prepare students with a sound basis for progression into the undergraduate degree programmes at UTM by ensuring that they possess the necessary knowledge, values, skills, and competencies.

Students are **required to pass the Bridging Programme** before they can register into respective faculties for the Degree Programme.

The objectives of this programme are as follows :

- To facilitate international students' enrollment into the Undergraduate programmes at the various faculties in UTM.
- To ensure sufficient knowledge of the fundamentals in preparation for the Undergraduate Programme in Engineering, Science, Computing, Social Science and Built Environment.

Bridging Programme - DURATION

Activities	Week
LECTURE WEEK (First Half)	7 weeks
