COURSE REGISTRATION

For the **1st & 2nd semester**, course registration will be done by the students.

The faculty will release a **list of students** according to their respective **sections/class**, and students are required to **register for courses based on the assigned section and designated time period**.

Students must register for courses in the **SMP Foundation**, and the courses registered must follow the **curriculum specified according to their respective concentrations**.

CLASS TIMETABLE

The timetable will be uploaded on Student Portal during orientation week. Students will get to know their **section/class** from the list of name given together with the timetable.

Note: Please take note on the important information in the timetable such as **i) Day and Time, ii) Course Code and Section**. All student need to attend lectures according to the day and time slot they have set.

Lecturer information that teaches courses can be referred in the **Academic Guidebook (refer page no. 5) – List of Staff**

**Note: Students can contact the relevant lecturer via email/WhatsApp*
