Dear applicants,

We are pleased to inform you that your digital copy of the academic transcript is ready. At this time, only the transcript is available, as the certificate is not yet ready. An official announcement will be released once certificates are ready for collection. Please refer to the guideline for certificate and transcript collection >>[HERE](#)<<

For those who have applied for postage and completed payment, delivery will proceed once the certificate is available so that both documents can be sent together.

If you prefer to receive your academic transcript separately before the certificate, kindly inform us in advance. Please note that an additional postage fee will apply for separate deliveries.

Thank you.

Best regards,
