IMPORTANT INFO

- The maximum allowable credit is **26 credits only**.
- Lectures will commence on **21 December 2026 (Monday)**.
- Students are **not allowed** to change sections without prior approval.
- All courses must be registered under the **same section** assigned at the beginning of the programme.
- Any registration under a different section will be **rejected**.
- Students are responsible for ensuring the **correct course, section, and learning centre** are selected during registration.
- **Incorrect selection** of a learning centre may affect section capacity and prevent other students from registering.
- Refer to **Appendix 1** for the correct information on learning centres, sections, and courses.
- Refer to the **Curriculum Structure** for the list of courses to be taken.

ATTENTION PLEASE!

- Students **must register courses** every semester **within the specified dates**.
- Those who fail to register without acceptable reason **will be terminated**.
- Registration of course shall be subjected to the settlement of any **outstanding arrears**.
